

Name	Ma Yanyan
Position	Associate Professor, Mechanical Engineering Shanghai-Hamburg College
Academic career	1998 Qingdao University of Science and Technology Bachelor 2001 Qingdao University of Science and Technology Master 2005 Shanghai Jiaotong University PhD
Employment	2005 – University of Shanghai for Science and Technology
Research and development projects over the last 5 years	<ul style="list-style-type: none"> - Technical documents research and development based on Heidelberg printing machine structure; - Research on the dynamic performance of printing machine drum.
Industrial collaboration over the last 5 years	
Patents and proprietary rights	
Important publications over the last 5 years	<ul style="list-style-type: none"> - MA Yan-yan, Influential Factors on the Performance of Journal Bearings Lubricated with Couple Stress Fluids, Mechanical Science and Technology for Aerospace Engineering,2012,30(9): 1565-1568. - MA Yan-yan,The teaching methods improvement exploration of mechanical design basiscourse ,China Science and Technology Review,2016,1: 189.
Activities in specialist bodies over the last 5 years
